Reading for Pleasure and Treasure!

Interactive Picture Book Storytelling

To help students develop a love for reading, our school has invited a group of experienced volunteers from Books and Beyond Reading Club to stage an interactive storytelling session. We had a dramatic reading of the storybook "The Lion Inside", where we were guided to explore the theme of bravery through examining the acts and thoughts of the characters. We had great fun participating in the interactive comprehension games and grammar activities too!

"A book is a gift that you can open again and again!"
- Garrison Keillor

My Thoughts about the Storybook

3B Chan Chi Ching Joyce

The story is great! The little mouse teaches me that being small doesn't mean we can't be brave!

4A Ng Clarence Chun Lok

The story reminds me that everyone is special and strong. We all have a courageous lion inside, waiting to roar!

4B Chan Tsz Yu

The little mouse learns to speak up and be himself in the story. I am quite shy but I believe I can be as brave as the little mouse too!

Title: Pete the Cat - I Love my White Shoes
Author: James Dean & Eric Litwin

My thoughts:

Pete the Cat loves his new white shoes. Oops! He steps in strawberries, blueberries and mud! It makes a mess but he keeps singing and walking along. When I am unhappy, I eat my favourite food and play in the park to make me happy again. Let's be positive like Pete!

Title: The Magic Paintbrush
Author: Julia Donaldson

My thoughts:

One day, a girl named Shen gets a magical paintbrush as a gift. The paintbrush can make her drawings become real objects! Shen is kind and loves sharing. With the paintbrush, she helps her village by painting food and useful things. I learn from the story that I should use my talent for good. I can make a difference in people's life one day!

Title: Chipmy Chipmunk Wins the Race
Author: Kiki

My thoughts:

This book is about a chipmunk called Chipmy. I like the persistent chipmunk very much. Although he knew he couldn't run faster than others, he persevered and continued to work hard, ultimately achieving his goal. I learn from this book that we will succeed as long as we believe in ourselves and keep working hard. There will always be a day of success, just like the chipmunk in the story. I will introduce this book to my cousin because he easily gives up. I hope he will get inspired by the book!

English Drama

Our English drama team aims to nurture students' performing skills and effective communication skills as well as to foster teamwork. Through regular practices every Friday, our team members learned to overcome stage fright, read aloud their lines clearly and perform with confidence.

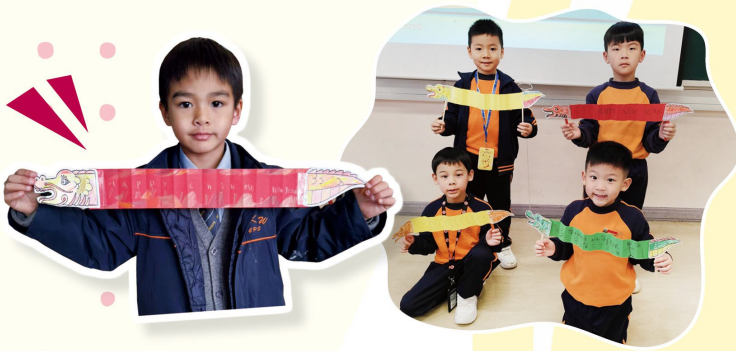

Look! We were having a Cinderella and Snow White show rehearsal. We tried our best to bring our characters to life!

China and I Thematic Activities

Chinese Festive Fun!

To give us a refreshing taste of Chinese cultural experience, a series of interesting Chinese cultural activities were arranged to engage us in the form of story reading, poem chanting and craft making.

Chinese Culture Mini-project Showcase

Teachers deepened our understanding of our motherland in various aspects through mini-projects across all levels. Here are some of our good works!

My Favourite Chinese Food 2B Kam Tsz In

My favourite Chinese food is dim sum. Dim sum tastes salty and sometimes spicy. I like Siu Mai best. It is small. It is yellow and white. There are shrimps and pork in it. I usually eat Siu Mai in a Chinese restaurant. It is tasty!

My Favourite Chinese Historical Figure 5B Liang Yu Xuan

My favourite Chinese historical figure is Zhuge Liang. He was a Chinese politician, military strategist, writer and inventor during the Three Kingdoms Period.

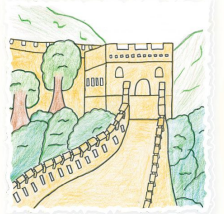

He was very clever in war. As the Han Empire disintegrated, he plotted strategies to make Shu Han a kingdom that survived for 43 years against stronger enemies. I like him because he is decisive, brave and wise, as his famous saying goes, "Battles are not won by strength alone!"

My Favourite Chinese Architecture 6D Yang Xi

My favourite Chinese architecture is the Great Wall of China. It is from Dandong in the east to Lop Lake in the west of China. It was built between the 7th Century B.C. and the 17th Century. The Wall enabled troops to be stationed at regular intervals and could summon help if an enemy was approaching.

I like the Great Wall because it represents Chinese history and five thousand years of Chinese culture. The Great Wall is the only human building that can be seen from space! This is amazing!

"Sayings of Wisdom" Zentangle Designs

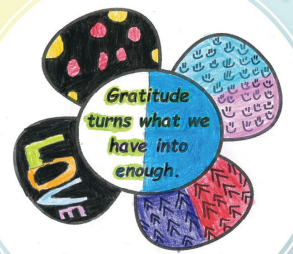

To nurture our positive values, inspirational quotes and proverbs on the theme "Optimistic mind" and "Gratitude" were introduced in English lessons. We learned about the messages conveyed in the quotes and designed our Zentangle patterns. Not only did we have an opportunity for personal reflection based on the quotes, but also a nice time for relaxation!

Halloween X STEAM Party Day

On Halloween Day, both students and teachers showcased their wonderful costumes! We were thrilled to take part in the interactive English booth games. Our principal turned into Dinosaur Wong and gave everyone a surprise!

We also enjoyed an amazing STEAM party show. We were presented a dramatic Superhero story in which we acquired superpowers to conquer the evil spirits through conducting a series of scientific experiments. How magical!
